This is not an exhaustive list. Any Violation in which the three day notice requirement is waived shall be at the discretion of the Board of Directors.

c. Any cost incurred in correcting or eliminating a Violation shall be charged to the Owner's account.

d. The Association, the Board, and its agents, contractors or service providers shall not be liable to the Owner or any third party for any damages or costs alleged to arise by virtue of action taken under this Paragraph 5 where the Association, the Board, its agents, contractors, or service providers have acted reasonably and in conformity with this Enforcement Policy.

b. Where the Lot is occupied by a tenant or where the interests of an Owner have been handled by a representative or agent of such Owner, any notice or communication from the Association or Management pursuant to this Enforcement Policy will be deemed full and effective for all purposes if given to the Owner at the address on record with the Association. The Association may, as a courtesy, also provide notice to the tenant or a representative known to have the right or official capacity to receive such notices on behalf of the Owner.

8. Cure of Violation During Enforcement. An Owner may correct or eliminate a Violation at any time during the pendency of any procedure prescribed by this Enforcement Policy. Upon verification by the Association that the Violation has been corrected or eliminated, and any fines imposed by the Board has been paid, the Violation will be deemed to no longer exist, and the Notice of Violation shall be voided or closed except as hereinafter provided. Owners are herein advised by the Association of the consequences of the future Violation of the same provision of the Governing Documents as set forth in the following paragraph. The Owner will remain liable for all fines levied under this Enforcement Policy, which fines, if not paid upon written demand thereof by the Association, may be referred to the Association's legal counsel for collection. The Board, however, in its sole and absolute discretion, reserves the right to suspend or waive some or all of the fines imposed. The suspension or waiver of fines shall not constitute a waiver of the right to sanction Violations of the same or other provisions and rules by any person.

9. Repeated Violation of the Same Provision of the Governing Documents. Whenever an Owner, who has previously cured or eliminated a Violation after receipt of an Initial/Courtesy Notice, commits a separate Violation of a similar provision of the Governing Documents within six (6) months from the date of the Notice of Violation, the Association shall reinstate the Violation, including the fines previously imposed related to such Violation that were waived by the Board, and pursue the procedures set forth herein as if the Violation had never been cured or eliminated. For purposes of illustration only, in the event the Owner cured the Violation after having received an Initial/Courtesy Notice, the second Violation of the same provision shall prompt the Association to send a Notice of Violation. Similarly, in the event the Owner cured the Violation after having received a Notice of Violation, the second Violation shall prompt the Association to send a Notice of Fine as provided hereunder. In the event an Owner cured the Violation after having received a Notice of Fine, the second Violation shall prompt the Association to commence the levying of violation fines without further notice to the Owner. In the event of a repeated Violation, the Board shall be authorized to double the fine amount.

10. Payment of Violation Fines. Payment of the violation fine amount does not imply or constitute a waiver of enforcement or the granting of a variance for the Violation. All Violations must be corrected and brought into compliance with the Governing Documents. If there is a subsequent Violation of a similar rule, the fine amount will be imposed pursuant to the Fine Structure provision. Failure to pay fines may result in a lien on the Owner's Property. The Owner shall be responsible for any fines and enforcement costs assessed on the Property. If applicable, it is the Owner's responsibility to pursue reimbursement of the fines from the tenant(s).

The Board hereby authorizes and empowers Management to do all such things and perform all such acts as are necessary to implement and effectuate the purposes of the Enforcement Policy and compliance with Texas Property Code Section 209.0051(h), including the levying of violation fines, without further action by the Board.

12. Binding Effect. 13. Definitions. The definitions contained in the Association's Governing Documents are hereby incorporated herein by reference.
