

TRAVIS RANCH ROLLER HOCKEY RULES & REGULATIONS

The Roller Hockey Rink and Recreation Area is Private Property and is solely for the use of Travis Ranch Residents and their accompanied Guests.

*If someone asks for proof of residency, don't be offended.
Take the time to introduce yourself and meet someone from the community.*

General Rules

- No glass containers are allowed in or around the rink
- No checking, hitting, foul language or fighting. Violators will be asked to leave.
- No Littering
- Only roller hockey balls are to be used. No hard pucks!
- Children under 12 years of age are required to wear protective headgear and equipment.
- Access Card Check – This is a private facility. Individuals using the rink must either produce and demonstrate use of the access card or provide proof of residency of Travis Ranch.

Courtesy to All Players

- If a game is in progress and community residents arrive to play, the new players should wait until the game in progress ends by either:
 - a) one of the teams scores two additional goals, or
 - b) within ten minutes of arrival.New players are then allowed to play the “winners” or new teams should be chosen with the arriving player(s) serving as captains.
- If players are waiting, games are limited either to one team scoring 5 points or ten minutes (which ever comes first). “Winners” stay and the players who waited are allowed to enter. The team that lost then waits until the next game is over (5 points or ten minutes).

Team Practice Rules

- The sponsoring Travis Ranch adult resident is responsible for enforcing all rules listed.
- An adult from the Travis Ranch must be present and participate in the team practice. Team Practice is limited to one hour.
- If other Travis Ranch residents arrive after practice has started, the practicing team can hold the rink for **no longer than one hour**.
- If Travis Ranch residents are present and using the facility prior to a team practice, the team must either wait until the residents are finished and leave the roller rink or the non-team members may be invited into the practice. Just because a team calls for a practice at a specific time does not guarantee the team access to the roller rink.
- Before, during and after practice, all team members must wear appropriate and protective equipment while in the rink.

**Use of this facility is at the user's own risk.
The Travis Ranch HOA assumes no liability from user's use of this facility.**
